Walk for Life Main Event
12:30 – 1:30 PM

*Civic Center Plaza,
San Francisco*

Rally: 12:30 to 1:30PM

Walk: 1:30PM

Mission: To change the perceptions of a society that thinks abortion is an answer. Abortion does violence to women and to their children, both physically and emotionally. We deserve better than abortion.

We intend to establish a new West Coast tradition of celebrating life and we're calling for solidarity among women and all people of good will in affirming human life. Abortion harms women and men; it divides families and society. Women—and all people—deserve better than abortion.

Just as a man cannot live in the flesh unless he is born in the flesh, even so a man cannot have the spiritual life of grace unless he is born again spiritually. This regeneration is effected by Baptism:

"Unless a man is born again of water and the Holy Spirit, he cannot enter into the kingdom of God" (Jn 3:5)

AS WE PRAY
FOR THE RESPECT
OF HUMAN LIFE

4 WAYS:

The sacrament of Baptism is the beginning of life—supernatural life.

Because of original sin, we come into the world with a soul which is supernaturally dead. We come into the world with only the natural endowments of human nature. The supernatural life which is the result of God's personal and intimate indwelling, is absent from the soul.

Original sin is not, in the strict sense, a "blot" upon the soul. Indeed, original sin is not a "something" at all. It is the **absence** of something that should be there. It is a darkness where there ought to be light. Jesus instituted the sacrament of **Baptism** to apply to each individual soul the atonement which He made on the Cross for original sin.

Jesus will not force His gift upon us, the gift of supernatural life for which He paid. He holds the gift out to us hopefully, but each of us must freely accept it. We make that acceptance by receiving the sacrament of Baptism.

When the sacrament of Baptism is administered, the spiritual vacuum which we call original sin disappears as God becomes present in the soul, and the soul is caught up into that sharing of God's own life which we call **sanctifying grace**.

Today we celebrate the baptism of Christ in the Jordan. This is the second epiphany, or manifestation, of the Lord. The past, the present, and the future are made manifest in this epiphany.

The most holy one placed Himself among us, the unclean and sinners. The Son of God freely humbled Himself at the hand of the Baptist. By His baptism in the Jordan, Christ manifests His humility and dedicates Himself to the redemption of man. He takes upon Himself the sins of the whole world and buries them in the waters of the Jordan.

Don't Forget to bless yourself with Holy Water as you enter the church!

As a reminder of baptism, Catholic Christians dip their fingers in the holy water and make the sign of the cross when entering the church. ... This use of holy water and making a sign of the cross when entering a church reflects a renewal of baptism, a cleansing of venial sin, as well as providing protection against evil.
